

AVIONHAZE

CARGO LLC

Established five years ago, Avionhaze Cargo LLC began as a niche provider of Dangerous Goods (DG) logistics and has since evolved into a fully integrated global logistics firm. The company is ISO, ICV, GCAA, and DCAA certified, reflecting its commitment to operational excellence and regulatory compliance. In addition to its end-to-end multimodal logistics solutions across air, sea, and land, Avionhaze also serves as a trusted service provider for airports—specializing in Dangerous Goods transit, damage handling, and incident reporting. Guided by the strategic leadership of Biniyam Jamal and Mohammed Afshaj, Avionhaze continues to set industry benchmarks in safety, reliability, and innovation.

A team of 30+ certified Dangerous Goods (DG) specialists committed to delivering operational excellence, strict regulatory compliance, and uncompromised safety across every stage of the logistics process.

Member of JC Trans; facilitating seamless international logistics operations.

With operational hubs located in DAFZA, DWC, AUH, and Dubai Cargo Village, Avionhaze ensures round-the-clock service and rapid response across key logistics zones in the UAE.
